

# ASSESSMENT REGULATIONS (Internal Assessments 1, 2 and 3)

Please read these regulations in conjunction with Signature Qualification Specification on our website.

## PART 1 of 3

### Entering Candidates for Assessment

#### 1.1 Reasonable adjustments for candidates with particular assessment requirements

Centres requesting a reasonable adjustment on behalf of a candidate must make the request when they register the candidate online via 'My Signature'. Following this, all supporting medical evidence must be sent to Signature.

Signature will contact the centre to indicate whether the adjustment requested has been approved. Centres should not assume that all requests for reasonable adjustments will be approved.

Awarding bodies are responsible for assuring and maintaining the assessment standards within each of their qualifications. The Equality Act (2010) and other provisions allow for 'reasonable adjustments' to the assessment process, to make it more accessible under certain circumstances. Awarding Bodies are not required to alter the assessment standards themselves, if these are a justifiable measure of the competence that is being assessed. Reasonable adjustments must not give the candidate an unfair advantage or disadvantage in relation to other candidates taking the assessment.

Before requesting a reasonable adjustment on behalf of a candidate, the centre should be satisfied that the adjustment applied for will enable the candidate to attempt to meet the same standards of assessment as a candidate without the disability, difficulty or special need

concerned. Please read the Reasonable Adjustment to Assessment Arrangements policy, available on Signature website.

## 1.2 Candidate registration

**Signature will only accept candidate registrations from centres that are approved to offer this qualification. Centres must also be approved at the time of the assessment taking place.**

**Assessment 1 - one to one discussion**

**Assessment 2 – informal group debate**

**Assessment 3 – formal group meeting**

Approved centres must register candidates online for each of the internal assessments, via 'My Signature, using the Candidate Registration Process, without giving advance notice to Signature. The candidates need to be registered no later than the assessment date for each assessment. The assessment dates are chosen by the teacher-assessor or centre and are the dates when teacher-assessors are confident that all three of the internal assessments have been achieved.

**Please note: the evidence collected for assessments 1-3 must be completed and internally assessed by appropriately qualified staff at the centre prior to the first external assessment date.**

Centres must register existing candidates using their Signature unique learner ID number. New candidates will be issued with a unique learner ID number, by Signature, upon registration. Centres should also enter the candidates national Unique Learner Number (ULN) in to the appropriate field. New candidates should be allocated a national ULN by the centre.

Centres will be invoiced for candidate registration fees. Centres wishing to use an official purchase order should quote the order number on the online registration form.

Following submission of the assessment request, centres will receive an email to confirm that the assessment has been processed.

### 1.3 Changes to assessment arrangements

The centre administrator can change the date of an assessment after submission. This should be done via 'My Signature' in the 'view assessments' section.

The centre administrator can add candidates to an assessment after submission during the period between the assessment being booked and the assessment date. No additions can be accepted after the assessment date. This should be done via 'My Signature' in the 'view assessments' section.

If for any reason, a candidate registered on the submitted assessment, cannot attend at the time or on the date of the assessment, the centre must not permit the candidate to take the assessment at any other time or on any other date. The centre must mark the candidate as 'not assessed'. If the centre does allow the candidate to complete the assessment at any other time or on any date, other than the agreed assessment date, it will be marked as not assessed by Signature.

Candidates who withdraw from an assessment, due to medical or bereavement reasons, will be entitled to a full refund of their candidate registration fee upon production of appropriate evidence.

Under exceptional circumstances, centres may request to change arrangements for their assessments already submitted to Signature. Centres must contact their Signature Customer Support Officer. Signature cannot guarantee that all the changes requested can be accommodated. Charges will apply.
