

Fees Booklet

Aug 2013 – July 2014

General Information

Signature fees are based upon the costs associated with the different assessment methods used.

All fees are reviewed annually.

Qualification/unit approval fees

An annual qualification/unit approval fee is payable for each qualification/unit. Units that appear in more than one qualification, e.g. K202, will only be charged for once. An invoice will be generated when an application for renewal/approval is submitted on-line.

Qualification/unit approval fees are non-refundable.

Candidate registration fees

Candidate registration fees are payable for each candidate, per assessment. An invoice is generated when an assessment is created and submitted for processing.

A 30% discount will be applied to all candidates who are 16 years of age or younger when they are registered for assessment.

Replacement certificates

Replacement certificates are available at a cost of £20 each to replace certificates that are lost, damaged in transit, or issued with incorrect names. Please note that replacement certificates will be marked as such. The name printed on the certificate is taken from the candidate registration details. If this information is incorrect the certificate will also be incorrect. It is important that candidate details are checked and Signature is informed of any amendments, before certificates are issued. For qualifications achieved prior to 2006 we no longer issue replacement certificates. A confirmation of achievement letter can be issued in lieu of a certificate(s) at a cost of £10.

Appeals

Centres can request a re-mark for candidates who receive a fail result. The fee for this service is the same as the candidate registration fee and further information about the appeals process is shown on the Signature website www.signature.org.uk.

Withdrawal from an assessment for medical reasons

Candidates who withdraw from an assessment for medical reasons will be entitled to a full refund upon production of a doctor's note or certificate.

Data protection access (DPA) requests

Access requests will be provided at a cost of £10 per request. Please contact Signature for DPA Request forms.

Administration fees

A fee of £25 may be charged for changes to assessments, for example if candidates have been registered for the wrong unit or an assessment has to be cancelled.
