Fees Booklet

August 2019 – July 2020

General Information

Signature fees are based upon the costs associated with the different assessment methods used.

All fees are reviewed annually.

Qualification Approval fees

An annual qualification approval fee is payable for each full qualification. When centres seek approval for a qualification they will be approved for all units within that qualification.

When a centre seeks approval for 2 qualification at the same time a 5% discount will be applied .

When a centre seeks approval for 3 or more qualification at the same time a 7% discount will be applied .

An invoice will be generated when an application for renewal/approval is submitted on-line.

Qualification approval fees are non-refundable.

Candidate registration fees

Candidate registration fees are payable for each candidate, per assessment. An invoice is generated when an assessment is created and submitted for processing.

A 30% discount will be applied to all candidates who are 18 years of age or younger when they are registered for assessment.

Candidate Merge

A £25 administration fee will be charged for Candidate ID numbers we have to merge. For more than one candidate, this fee will vary.

Replacement certificates

Replacement certificates are available at a cost of £25 each to replace certificates that are lost, damaged in transit, or issued with incorrect names. Please note that replacement certificates will be marked as such. The name printed on the certificate is taken from the candidate registration details. If this information is incorrect the certificate will also be incorrect. It is important that candidate details are checked and Signature is informed of any amendments, before certificates are issued. For qualifications achieved prior to 2006 we no longer issue replacement certificates. A confirmation of achievement letter can be issued in lieu of a certificate(s) at a cost of £10.

Appeals

Centres can request a re-mark for candidates who receive a fail result. The fee for this service is the same as the candidate registration fee or centre visit fee, and further information about the appeals process is shown on the [Signature website](#)

Withdrawal from an assessment for medical or bereavement reasons

Candidates who withdraw from an assessment due to medical or bereavement reasons will be entitled to a full refund upon production of appropriate evidence.

Data protection access (DPA) requests

Access requests will be provided at a cost of £10 per request. Please contact Signature for DPA Request forms.

Administration fees

A fee of £25 may be charged for changes to assessments, for example if candidates have been registered for the wrong unit.
